Dancewear & Grooming Guidelines

Label ALL Dancewear & personal items w/Name or Initials: shoes, leotards, tights, water bottles, etc. Unclaimed items are taken to donation centers frequently.

Never wear dance shoes outside dance studios. This tracks dirt & sand onto dance floors and wears out shoes.

A personal dance bag helps keep dancewear and other clothing organized.

Hair should be back neatly tied back from face and in a bun for ballet girls age 10 and over.

Good hygiene & deodorant are important for teens. Ballet is athletic. Minimal perfume please.

Dance skirts are permitted occasionally for age 3-5. Leotard & tights allow best body-awareness for learning ballet.

Hooded Warm-Ups and pants specific to each dance level, are available at BCA studio.

Enrollment, Class Tuition And Fees

The BCA annual dance year runs mid-August through end of May and dance students enroll for the full dance year. Written withdrawal requests should be received by BCA 30 days before withdrawal date. Students may enroll during the year if class space is available and with BCA permission.

Current tuition and fees are listed on current session's forms: "Schedule and Fees" and "Registration Form". Both forms are available at BalletConservatoryofAsheville.com.

All students are required to register, establish payment schedule, pay registration fee and initial tuition payment, and then maintain a paid balance to attend any BCA class, private lesson or workshop. Balances unpaid 30 days after due date should be settled before student continues to attend. Payments 7 days after due date will incur a \$10 late fee.

Class Attendance

Students should arrive on time for class, no more than 10 minutes for children; and be picked up promptly at the end of class. Attending all classes is important for progress and is the responsibility of each student. Please inform us if you will be missing a class. Classes missed due to sickness, school holidays and other obligations may be made up in another class. Credit or refunds will not be given for classes not attended.

Make Up Classes are encouraged when students miss their regular class. Please call the office if planning to attend a make up class to ensure there is space. Classes should be made up within 2 weeks, before or after the missed class. In case of inclement weather, call the studio or check the BCA website. We do not necessarily follow area school systems. Weather cancellations may not be rescheduled, but please make up in another class. Classes missed due to BCA rehearsals, performances or other unavoidable events will be rescheduled.

Facilities & Studios

We ask students & families to help maintain our studios & facilities. No Food in the studios and water only please. Unclaimed items are taken to donation centers frequently. Siblings should be supervised at all times. Please keep noise to a minimum, so dancers are not distracted.

Our studio windows allow parents & families to peek into class occasionally. Young dance students thrive when they can maintain focus with instructor for entire class period. We encourage minimal visual contact and please refrain from standing and viewing up-close to the studio windows.

Parking is currently available in BCA parking lot, across Mt. Clair in the gravel corner lot, on adjacent street and at Five Points Restaurant lot after 3pm.

Parent /Teacher Communication

Teachers are always happy to speak with parents! We will make every effort to keep you informed. If needed you may call or email the office to ask questions or schedule a convenient time for a conference. It is often difficult to speak with instructors at length between classes, as this delays the start of the next class.

Pre-Professional Program

Pre-Professional program dancers should also consult the "Pre-Pro Contract", "Pre-Pro Handbook", "Pre-Pro Schedule & Fees", and BalletConservatoryofAsheville.com/prepro for additional information, policies, fees, and requirements.
